Note.

The notifications are made in accordance with the Arrack rules & the notifications issued for the current year. Both the only changes introduced are:

(1) The sale of Jaggery arrack is at present restricted only to the Malnad Taluks (i.e. this year) but in case demand for this from other places also, a general provision is made

(2) The above corrections made in 7(4)(a) & (b) are in accordance with the

(3) No local law in force on the 1st June 1910 or framed which is repugnant to the license fee — This fact is made clearer by inserting a provision to this effect in Clause 2 of para 4 A similar provision is in the Note for Travelling Shops

(4) A protection has been newly introduced that the "Licensed Hawker" or "Pedlar" shall not be knocked down in the name of more than one person — Clause 4 that the license forms do not admit of more than one person being allowed to be the purchasers or licensee, that a similar protection — exists in Madras & that a difficulty has arisen in having allowed two persons or persons —

(5) The said levy of a fee of 4 annas on every gallon of arrack sold in excess of 55 gallons a month in each of the Separate Shops in the Cities of Bangalore & Mysore, is proposed to be done away with with effect from 1st July next, stating that the levy causes unnecessary interference on the part of the Municipal servants with the arrack shopkeepers, that it is not authorized by Under the Municipal Regulation & that such a levy has been discontinued in the C.M. Stn of Bangalore from the current year.

If this proposal is accepted the Rules will have to be modified accordingly.

This fee is being levied in the Bangalore City ever since 1873 under circumstances explained by the C. Comm. in his letter under disposal & in the Mysore City

Since 1888 when the Mul

to Real City — the increase
revenue from this source
comes to roughly, to Rs 12000/-

& to Rs 3,500/- again in the

is now abolished, there will
be so much loss to the two

From

Excise Commissioner

in Mysore.

To

H. V. Vanjundiah Esquire, M. A. M. L.

Secretary to Government

Genl & Rev. Department.

Sir,

I have the honor to submit herewith for approval and publication draft notifications for the sale of Arrack Toddy Farms and Separate shops for the year 1903-1904

2. The addition and such other taluks as may be ordered by the Excise Commissioner in Clause (4)(a) of para 7 of the Notification for the sale of Arrack Toddy Farms, is intended to enable the Excise Commissioner to issue at his discretion Jaggory Arrack to taluks other than those specified in the above Clause. The licensees in the taluks of Sirsi and Honavar have applied for permission to sell Jaggory Arrack during the current year

3. The additions regarding Local Cess in both the accompanying Notifications, have been made in accordance with

Govt

Government Proceedings No. R 593-608 / R.F. 66-94, dated
29th July 1902.

4 The addition to clause (b) of para 3 of Arrack Vend Farms' Notification and the additional clause (b) of para 2 of the Separate shops' Notification are intended to prevent the selling officers from registering more than one person as purchasers, in Hara patty. In a case which came before me in appeal, two persons were registered as purchasers, in the Hara patty; but the Deputy Commissioner issued the license in the name of only one person, though both claimed to be the purchasers. The registry of more than one person also causes inconvenience to prepare licenses and counterpart engagements in the prescribed printed forms which contain headings for the insertion of only one person. A similar rule exists in Madras

5. The levy of the surcharge of annas 4 per gallon by the Municipality, as per condition (4) in para 7 of the Notification for the sale of Separate Arrack shops, is not authorized by the Municipal Regulation. But it came to existence under the following circumstances. In reply to a letter No. 81, dated 8th August 1872 from the Superintendent, Nundidroog Division, the then Chief

Commissioner

Commissioner observed in his Secretary's letter dated 9th December 1872, that it would be better that the Superintendent's proposals for the adoption of a graduated scale of license fees, based on the quantity of liquor sold by each shop, be referred for consideration to the Bench of Justices, consisting of District Deputy Superintendent, Town and Cantonment Magistrate, and President of Municipal Board, and their opinion obtained as to the best course for adoption in the matter, after hearing what the retail vendors had themselves to urge on the matter. Accordingly they met on the 29th March 1873, and passed a resolution to the following effect: — "The Bench resolve that the licenses now held by the present arrack vendors, be continued, subject to the new rates, viz. a uniform rate of 15 rupees per mensem for each shop, and an extra charge of 4 annas per gallon on all sales exceeding 50 gallons a month. The form of license to be altered accordingly". The quantity of 50 gallons having been subsequently reduced to 55 gallons in the Cantonment shops, the same course was adopted in the Bangalore city. The liability of the shop-keepers to pay this surcharge causes no interference with the transactions in

retail

retail shops on the part of Municipal Officials &c. Such levy is therefore un-desirable, and it is not authorized in the Municipal Regulation. Vide Section 58 and Schedule C-II appended to the Regulation Under this Schedule, the levy of only Rs 180/- per annum, or Rs 15/- per month is authorized. No such surcharge is levied in the case of Beer Taverns &c. — Under such circumstances, the words — "and he shall pay also a license fee of 4 annas per gallon on all arrack sold by him in excess of 55 gallons a month in each such shop" are omitted in Condition (4) in para 7 of the accompanying draft Notification for the sale of Separate arrack shops Such levy has also been discontinued in the Civil and Military Station from the current year

6. The Schedules will be sent direct to the Government Press as usual

I have the honor to be,

Sir,

No. 430-40—Ex. F. 7-1902, DATED BANGALORE, 18TH MARCH 1903.

ORDER THEREON.—The Excise Commissioner has proposed to do away with the additional levy of a fee of 4 annas on every gallon of arrack sold in excess of 55 gallons a month in each of the "Separate Shops" in the Cities of Bangalore and Mysore, with effect from 1st July next. REVENUE.

SALE OF ARRACK VEND FARMS FOR 1903-04.

Notification No. 441—Ex. F. 7-1902, dated Bangalore, 18th March 1903.

It is hereby notified by the Government of Mysore that the exclusive privilege of selling arrack in the defined tracts specified in the appended schedule for the twelve months beginning with 1st July 1903 and ending with 30th June 1904, will be put up to public auction at upset prices, at the respective taluk kasbas, on the dates mentioned in the said schedule, by the respective Deputy Commissioners, or by Revenue Sub-Division Officers or Divisional Officers of the Excise Department or by Assistant Commissioners specially authorized by the Deputy Commissioners for the purpose. If the sales are not completed on those days, they will be continued on the next following days. Should there be no bids for any of the aforesaid tracts singly, the officer conducting the sale may revise the tracts at discretion, clubbing together more than one tract, or selling the tracts by taluks, or, if necessary, reserving special tracts in which there may at present be no shops, for disposal afterwards. Should there be no bid above the upset price, the officer conducting the sale may lower the upset price at discretion. The condition and character of intending bidders may be enquired into; and the officer conducting the sale may, at the time of sale, refuse to receive the necessary deposit which gives the right to bid, from persons regarding whom the result of such enquiries is not satisfactory. No former lessee, who has been guilty of an infringement of the terms of his lease or of the Excise Laws or Rules, shall be entitled to bid. The officer conducting the sale shall not be bound to accept the highest bid, should he consider it to be so extravagantly high as to afford apprehension of the lease breaking down.

2. The exclusive privilege above described will be put up to auction, farm by farm, and each farm put up to auction will be knocked down to the approved highest bidder, subject to formal confirmation by the Deputy Commissioner, who will be at liberty to accept or reject the bid at discretion without assigning reasons for the same. Such formal confirmation will, *unless revised by Government for special reasons,* be tantamount to an acceptance of the bid.

3. *(a)* Parties intending to bid must attend either in person or by duly authorized agents.

(b) No person will be permitted to bid until he has deposited Rs. 200 for each defined tract or farm, or such other reasonable amount as may be fixed by the officer conducting the sale; (provided that the Government may at any time dispense with such initial deposit). No farm shall be knocked down in the name of more than one person or of more than one company or firm duly represented. The selling officer shall refuse to register as a purchaser any one in whose name the bidding has not proceeded.

(c) The deposits made by unsuccessful bidders, if not forfeited as hereinafter provided, will be returned at the close of the sale.

(d) The successful bidder must, on the farm being knocked down to him, and before the next farm is put up for sale, deposit a sum equal to ⅔ths of a month's rent.

(e) Within 15 days from the date of confirmation of sale by the Deputy Commissioner, he must deposit such further sum as, with the former deposit, will make up an aggregate sum equal to two months' rent. If he shall be found to be a foreigner having no property in the Mysore State or to be of doubtful solvency, he may be required to deposit twice the prescribed sum, or to get a surety or sureties to execute a security bond for the due payment of all moneys that may become due by him under the terms of the contract.

(f) If he fail to make any of the deposits aforesaid, or to get the requisite surety or sureties, the deposits already made shall be forfeited, the farm shall be immediately re-sold or otherwise disposed of under orders of the Deputy Commissioner, and he shall be debarred from bidding again for the same or for any other farm.

4. Re-sales effected under para 3 shall be at the risk of the defaulting bidder, who shall forfeit all gain, and in the event of a loss by the re-sale, shall make good the deficiency between the total amount payable by him for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the re-sale. In the latter case, the forfeited deposit shall be deducted from the loss arising from the re-sale; and the remainder, if any, shall be recovered from the bidder in the same manner as if it were an arrear of land revenue. Should, however, the forfeited deposit be greater than the loss by re-sale, the whole of such deposit shall be credited to Government.

5. The purchaser of the exclusive privilege of vend in each defined tract shall sign an agreement binding himself and so much of his movable and immovable property as may be deemed sufficient by the Deputy Commissioner for the due fulfilment by the purchaser of the terms of his agreement; and the agreement shall be executed within ten days of the expiry of the period of fifteen days above mentioned. If the purchaser fails or refuses to sign the agreement, all deposits already made shall be forfeited; and the exclusive privilege shall be re-sold at the risk and loss of the first purchaser as set forth in paras 3 and 4, or be otherwise disposed of. In the case of the purchaser's death after confirmation of the sale, it shall be binding on his heirs or assigns.

6. The details of consumption of arrack in the shops of the existing farms and at depots, the amount of rental of each farm, etc., for several years past are specified in the appended schedule.

7. As soon as the agreement has been executed, the Deputy Commissioner shall issue a license in the prescribed form, assigning to the purchaser the exclusive privilege referred to therein, subject to the following conditions:—

(1) The exclusive privilege shall extend only to the sale of arrack ordinarily of 20° U. P. and with the special permission of the Deputy Commissioner or other officer authorized by him, to the sale of arrack of 30° under-proof. But it shall not extend to the sale of double-distilled or rectified country spirits and other special liquors, such as brandy, whisky, gin, etc., manufactured at the Government Central

Distillery, Bangalore, and which the foreign-liquor shop-keepers alone are permitted to sell at the prices fixed by themselves.

(2) The amount for which the privilege has been purchased shall be payable into the local Taluk Treasuries on printed chellans in equal monthly instalments commencing from July 1903. Each instalment shall be regarded as the rent for the month in respect of which it is payable. The licensee is not required to make any additional payment on account of local cess. Each month's rent shall be payable on or before the 20th of the same month. If default is made, the Amildar may, with the sanction of the Deputy Commissioner, declare, by record in writing, that the license is forfeited, and proceed to re-sell the farm as soon after the last day of the month as may be possible. Provided, however, that instead of re-selling the farm as above, the Deputy Commissioner may, in his discretion, direct the Amildar to break up the defaulting farm into the existing number of shops within it and to give each separate shop-keeper a license for the rent he agrees to pay, provided the total of such rents is not less than what the defaulting farmer had agreed to pay.

(3) (*a*) The deposit made by the licensee shall be taken in payment of the instalments due in the last two months of the period of the farm. Provided, however, that where the farm is re-sold or broken up under the provisions of sub-clause (2) above, the deposit shall, at the discretion of the Deputy Commissioner, be either forfeited or be appropriated towards the arrears due by the defaulter, as well as towards the deficits, if any, arising from the re-sale of the farm. The balance of such arrears and deficits, if any, shall be recoverable from the licensee under the rules in force for the recovery of arrears of land revenue. No remission or abatement of the rent or compensation shall, on any account whatever, be claimable by the licensee.

(*b*) Interest at 6 per cent per annum shall be recoverable on all arrears from the date of default, and on deficits from the date of re-sale.

(4) (*a*) The licensee shall purchase molasses arrack at 8½ annas per gallon of 20° U. P. from Messrs. Arbuthnot & Co.] of Madras, who have been appointed manufacturers of arrack and other country spirits to the State, or from any Bonded Depot established under the sanction of Government. The licensees of the vend farms in the taluks of Chikmagalur, Koppa, Mudgere, Tarikere, Manjarabad and Belur and such other taluks as may be ordered by the Excise Commissioner, can also purchase jaggory arrack from Bonded Depots in duly corked sealed bottles at Rs. 6-2-6 (including duty with local cess, *viz.*, Rs. 4-12-0) per gallon of 20° U. P., and sell such bottles only to respectable individuals at Rs. 7-7-0 per gallon of 20° U. P. or Rs. 1-3-10 per reputed quart bottle.

(*b*) The rate payable as above for molasses arrack shall be in addition to excise duty which shall be prepaid into the Taluk Treasury or into any other Government Treasury with the permission of the Deputy Commissioner as per following condition (5), at Rs. 4¾ (including local cess) per gallon of 20° U. P. and proportionately for lower strengths, before the removal of the arrack from the Distillery, or from any Bonded Depot established under the sanction of Government.

(*c*) The licensee shall sell molasses arrack to the public at Rs. 6-6-0 per gallon of 20° U. P. (*i.e.*, at annas 2 per dram, which is equal to $\frac{1}{11}$st part of a gallon) and at proportionate rates for lower strengths.

(5) (*a*) The licensee who obtains his supplies of arrack in his own vessels direct from the Distillery shall pay the above duty into the Taluk Treasury and obtain a receipt in the prescribed form. On production of such receipt and an indent for the supply of the arrack covered by the receipt, and on payment of the price of such arrack at the aforesaid rates to the manufacturers or their agent, obtaining a receipt from him therefor, the officer in charge of the Distillery shall issue the

quantity of arrack covered by the amount of duty shown in the Treasury receipt, and he shall forward the Treasury receipt to the Excise Commissioner's office under his endorsement as to the date and hour when the arrack was issued; and he shall issue a rahadari in the prescribed form for the transport of arrack from the Distillery.

(*b*) The licensee who gets his supplies from a Bonded Depot, shall pay both the price and duty into the Taluk Treasury and obtain a receipt in the prescribed form. On production of such receipt and an indent for the supply of the arrack covered by the receipt, the Bonded Depot-keeper shall issue the quantity of the arrack covered by the amount of price and duty shown in the Treasury receipt, which shall be dealt with as laid down in the last preceding clause.

(*c*) The arrack issued to the licensee's shops shall be covered by the prescribed permits.

(6) The licensee who obtains his supplies of arrack from a Bonded Depot will not be required to open his own depot, or to provide himself with his own casks. In such cases the Government transporting contractor, his agent or servants shall convey such licensee's supplies of arrack from the Distillery, and deliver the same to him or to the shop-keepers under him in the said Bonded Depot. Provided, however, that in the event of the licensee pre-paying the duty and price of the whole contents of any casks received from the Distillery, he will be at liberty to distribute the whole quantity at once to his shops, or to remove it in his own vessels to any depot, which he may open within his farm under the Deputy Commissioner's license, and issue therefrom the requisite supply to his shops. He shall be bound to keep in the Bonded Depot or in his own depot, if any, such stock of arrack as may be ordered by the Excise Commissioner.

(7) With the consignments of arrack from the Distillery or Bonded Depot to Farm Depots as well as with those from Farm Depots or Bonded Depots to shops, sample bottles shall be issued in such manner as may be ordered by the Excise Commissioner. The arrack kept in Farm Depots or issued therefrom to shops, as well as the arrack kept in shops or sold therefrom to the public, shall be of the same quality and strength as issued from the Distillery or Bonded Depot, and shall not be adulterated or diluted in any manner whatever.

(8) The licensee shall keep true accounts of the quantity and strength of the arrack purchased by him and issued to shop-keepers. The rahadaris or passes issued with the arrack purchased by him shall be subject to examination and check under the rules in force or which may be issued by Government from time to time.

(9) The arrack shall not be sold except in shops duly licensed by the Deputy Commissioner in the prescribed form, and no new shops shall be opened without the previous sanction of the Excise Commissioner.

(10) The Deputy Commissioner may, whenever he thinks fit, direct any shops to be closed, or permit transfers of shops from one place to another.

(11) The licensee shall not, during the term of the license, have any interest in the exclusive privilege of vending toddy in any part of the taluk within which his farm is situated, nor permit any person having interest in the exclusive privilege of vending toddy in any part of the taluk, to hold any share or interest in his exclusive privilege of selling arrack; nor shall he, during the term of his license, without the written permission of the Excise Commissioner, have any interest, direct or indirect, in any arrack farm in any districts of the Madras or Bombay Presidency under the British Government or any other Foreign State or Territory.

(12) The licensee shall be bound to take over any arrack which may remain as stock in hand belonging to the out-going farmer on the 1st July 1903 in the Bonded

Depot or in his Farm Depot, or in his shops, paying to the out-going farmer such compensation for the same as may be fixed by the Excise Commissioner.

(13) The licensee shall be bound by the provisions of the Excise Laws in force, and by any additional rules which may from time to time be prescribed under the Excise Laws. The licensee shall use such measures as may from time to time be prescribed by Government, and provide himself with the prescribed forms of accounts and permits or passes for the transport of arrack, which forms shall be purchased from the local Excise officers.

(14) The farms shall not be transferable except with the permission of the Excise Commissioner.

(15) The Deputy Commissioner shall grant to each shop under the licensee a license in the prescribed form.

(16) Resignations of farms in whole or part shall be summarily rejected by the Deputy Commissioner.

8. In case of any breach of the aforesaid conditions or of the license either by the licensee or, with his connivance or privity, by any person in his employment, or in the event of the licensee neglecting to open his shops or to carry on the business of his farm with due care and attention, it shall be competent to the Deputy Commissioner to impose upon the licensee a fine not exceeding the sum of Rs. 50 for every such breach or for such neglect or at the option of the Deputy Commissioner to declare the money deposited with him forfeited and to cancel the license, and re-sell the exclusive privilege or to otherwise dispose of it, at the risk of the licensee, or to place the farm under the management of Government; and all loss thereby caused, together with all losses accruing to Government in consequence of the licensee's neglect to carry on his business by opening his shops on 1st July 1903, shall be made good by the licensee. When a farm is cancelled, the rent for the whole period of the farm shall become due at once. All such amounts of penalties and losses shall be recovered in the same manner as if they were the arrears of land revenue.

9. The imposition of a fine or the forfeiture of deposit or the cancellation of the license under the last preceding condition shall not be held to prevent the prosecution of the licensee or his agents or employees for any offence punishable under the Excise Laws or other law for the time being in force.

By Order,

SALE OF SEPARATE ARRACK SHOPS FOR 1903-04.

Notification No. 442—Ex. F. 7-1902, dated 18th March 1903.

1. Notice is hereby given that the right of selling Arrack in each of the separate shops in the tracts specified in the appended schedule for the twelve months beginning with 1st July 1903, and ending with 30th June 1904, will be put up to public auction at upset prices, by the respective Deputy Commissioners or by Revenue Sub-Division Officers or by Divisional Officers of the Excise Department or Assistant Commissioners specially authorized by the Deputy-Commissioners for the purpose, on the dates and at the places mentioned in the said schedule. If the sales are not completed on abovenamed days, they will be continued on the next following days.

2. *(a)* Each bidder at the auction will deposit a sum of Rs. 60 or such other reasonable amount as may be fixed by the officer conducting the sale, previous to bidding. The shops will be knocked down to the approved highest bidder, subject to formal confirmation by the Deputy Commissioner, who will be at liberty to accept or reject the bid at discretion without assigning reasons for the same. Such formal confirmation will, *unless revised by Government for special reasons*, be tantamount to an acceptance of the bid. Parties intending to bid must attend either in person or by duly accredited agents. Should there be no bid above the upset price, the officer conducting the sale may lower the upset price at discretion. The condition and character of intending bidders may be enquired into; and the officer conducting the sale may, at the time of sale, refuse to receive the necessary deposit which gives the right to bid, from persons regarding whom the result of such enquiries is not satisfactory. No former licensee who has been guilty of an infringement of the terms of his lease or of the Excise Laws or Rules, shall be entitled to bid. The officer conducting the sale shall not be bound to accept the highest bid, should he consider it to be so extravagantly high as to afford apprehension of the lease breaking down.

(b) No shop shall be knocked down in the name of more than one person or of more than one company or firm duly represented. The selling officer shall refuse to register as a purchaser any one in whose name the bidding has not proceeded.

3. As soon as the auction is completed, the deposits made by the unsuccessful bidders, if not forfeited as hereinafter provided, will be returned to them at the close of the sale. As the auction proceeds, the person whose bid is accepted for each shop shall at once deposit a sum equal to $\frac{5}{6}$ths of a month's rent for that shop; and within seven days from the date of confirmation of sale by the Deputy Commissioner, he must deposit such further sum as, with the former deposits, will make up an aggregate sum equal to two months' rent. If he shall be found to be a foreigner having no property in the Mysore State, or to be of doubtful solvency, he may be required to deposit twice the prescribed sum or to get a surety or sureties to execute a security bond for the due payment of all moneys that may become due by him under the terms of the contract. If he fail to make any of these deposits or to get the requisite surety or sureties, the deposits already made will be forfeited, the shop will be immediately re-sold or otherwise disposed of under orders of the Deputy Commissioner, and he will be debarred from, bidding again for the same or for any other shop.

4. Re-sales effected under para 3 will be at the risk of the defaulting bidder, who shall forfeit all gain; and in the event of a loss by re-sale, he shall make good the deficiency between the total amount payable for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the re-sale. In the latter case, the forfeited deposit shall be deducted from the loss arising from the re-sale, and the remainder,

if any, shall be recovered from the bidder in the same manner as if it were an arrear of land revenue. Should, however, the forfeited deposit be greater than the loss by re-sale, the whole of such deposit shall be credited to Government.

5. Persons to whom shops have been knocked down shall, within ten days of the expiry of the period of seven days abovementioned, take out licenses and execute agreements in the prescribed form, binding themselves and so much of their movable and immovable property as may be deemed sufficient by the Deputy Commissioner for the due fulfilment by them of the terms of their agreement. On the failure of any person to take out licenses or to execute agreements as aforesaid, all deposits already made shall be forfeited, the shop or shops shall be re-sold at the risk and loss of such person, or be otherwise disposed of. In the case of the purchaser's death after confirmation of the sale, it will be binding on his heirs or assigns.

6. The amount of rental, the consumption of each shop, etc., for serveral years past are specified in the appended schedule.

7. The license to be taken out under para 5 above, shall be subject to the following conditions, namely :—

(1) The privilege conferred by the license extends only to the sale of Arrack ordinarily of 20° the strength of under-proof, and with the special permission of the Deputy Commissioner or other officer authorized by him, to the sale of arrack of 30° under-proof. But it shall not extend to the sale of double-distilled or rectified country spirits and other special liquors such as Brandy, Whisky, Gin etc., manufactured at the Government Central Distillery, Bangalore, and which the foreign-liquor shop-keepers alone are permitted to sell at the prices fixed by themselves.

(2) *(a)* The amount for which the privilege has been purchased shall be payable into the local Taluk Treasury, in equal monthly instalments, commencing from July 1903. Each instalment shall be regarded as the rent for the month in respect of which it is payable. The licensee is not required to make any additional payment on account of local cess. Each month's rent shall be payable on or before the 20th of the same month. If default is made, the Amildar may, with the sanction of the Deputy Commissioner, declare, by record in writing, that the license is forfeited, and proceed to re-sell the separate shop as soon after the last day of the month as may be possible.

(b) The deposit made by the licensee shall be taken in payment of the instalments due in the last two months of the period of the lease. Provided, however, that where the separate shop is re-sold, the deposit shall, at the discretion of the Deputy Commissioner, be either forfeited or be appropriated towards the arrears due by the defaulter, as well as towards the deficits, if any, arising from the re-sale of the shop. The balance of such arrears and deficits, if any, shall be recoverable from the licensee under the rules in force for the recovery of arrears of land revenue. No remission or abatement of the rent or compensation shall, on any account whatever, be claimable by the licensee.

(c) Interest at 6 per cent per annum shall be recoverable on all arrears from the date of default, and on deficits from the date of re-sale.

(3) *(a)* The licensee shall purchase Molasses Arrack at 8½ annas per gallon of 20° U. P. from Messrs. Arbuthnot & Company of Madras, who have been appointed manufacturers of Arrack and other country spirits to the State, or from a Bonded Depot established under the sanction of Government. He can also purchase jaggory Arrack from the Bonded Depot in duly corked sealed bottles at Rs. 6-2-6 (including duty with local cess, *viz.*, 4-12-0) per gallon of 20° U. P. and sell such bottles only to respectable individuals at Rs. 7-7-0 per gallon of 20° U. P. or Rs. 1-3-10 per reputed quart bottle.

(b) The licensee shall sell Molasses Arrack to the public at Rs. 6-6-0 per gallon of 20° U. P. (*i.e.*, at annas 2 per dram, which is equal to $\frac{1}{51}$st part of a gallon) and at proportionate rates for lower strength.

(4) The licensee of every shop in the towns of Bangalore and Mysore shall pay a registration fee under the Municipal Regulation at the rate of Rs. 180 per annum in advance for the period of the license for his shop ; and he shall pay also a license fee of 4 annas per gallon on all Arrack sold by him in excess of 55 gallons a month in each such shop.

(5) The above rate to be charged for Molasses Arrack by the manufacturers, and the above fee are in addition to the Excise duty which shall be prepaid as per following condition (6), at the prescribed rate of Rs. 4-12-0 (including local cess) per gallon of 20° U. P. and proportionately for lower strengths, before the removal of the Arrack from the Bonded Depot established under the sanction of Government.

(6) The licensee shall pay the above duty and price to a special shroff appointed in this behalf at the cost of Government and located at the Taluk Cutcherry to receive such duty and price daily, including Sundays and holidays, and shall obtain a receipt in the prescribed printed form. On production of such receipt, and indent for the supply of the Arrack covered by the receipt, the Bonded Depot-keeper shall issue the quantity of arrack equal to the amount of duty shown in the said receipt, which will be forwarded to the Excise Commissioner's office under the endorsement of the Bonded Depôt-keeper aforesaid, as to the date and hour when the Arrack was issued. The Depôt-keeper aforesaid shall issue a pass in the prescribed form for the transport of Arrack from the Bonded Depôt. He shall also issue sample bottles with the consignments in such manner as may be ordered by the Excise Commissioner.

(7) The licensee shall be bound to take over any Arrack which may remain as stock in hand belonging to the out-going licensee on 1st July 1903, in the shop, paying him such compensation for the same as may be fixed by the Excise Commissioner.

(8) The licensee shall use such measures as may from time to time be prescribed by Government, and provide himself with the printed forms of accounts and permits or passes for transport of Arrack, which forms shall be purchased from local Excise officers.

(9) The shop shall not be transferable except with the permission of the Excise Commissioner.

(10) Resignation of shops in whole or part will be summarily rejected by the Deputy Commissioner.

(11) The licensee shall be bound by the provisions of the Excise Laws and Rules in force and by any additional rules which may, from time to time, be prescribed under the Excise Laws.

(12) The remaining terms and conditions shall be as set forth in the prescribed license.

8. In case of any breach of the above conditions either by the licensee or, with his connivance and privity, by any person in his employment, or in the event of the licensee neglecting to open his shop, or to carry on the business of his shop with due care and attention, it shall be competent to the Deputy Commissioner to impose upon the licensee a fine not exceeding Rs. 10 for every such breach or for such neglect, or, at the option of the Deputy Commissioner, to declare the money deposited with him forfeited, and to cancel the license and re-sell the shop or to otherwise dispose of it at the risk of the licensee, or to place the shop under the management of Government ; and all loss thereby caused, together with all losses accruing to Government in consequence of the licensee's neglect to carry on his business by opening his shop on 1st July 1903, shall be made good by him. When a shop is cancelled, the rent for the whole period of the shop shall become due at once. All such amounts of penalties and losses shall be recovered in the same manner as if they were arrears of land revenue.

9. The imposition of a fine or the forfeiture of deposit or the cancellation of the license under the last preceding para, shall not be held to prevent the prosecution of the licensee or his agents or employees for any offence punishable under the Excise Laws or other Law for the time being in force.

By Order,
H. V. NANJUNDAYYA,
Secy. to Govt., Gen. & Rev. Depts.

(*c*) The arrack issued to the licensee's shops shall be covered by the prescribed permits.

In such cases the Government transporting contractor, his agent or servants shall convey such licensee's supplies of arrack from the Distillery, and deliver the same to him or to the shop-keepers under him in the said Bonded Depot. Provided, however, that in the event of the licensee pre-paying the duty and price of the whole contents of any casks received from the Distillery, he will be at liberty to distribute the whole quantity at once to his shops, or to remove it in his own vessels to any depot which he may open within his farm under the Deputy Commissioner's license, and issue therefrom the requisite supply to his shops.

(e) Within 15 days from the date of confirmation of sale by the Deputy Commissioner, he must deposit such further sum as, with the former deposit, will make up an aggregate sum equal to two months' rent. If he shall be found to be a foreigner having no property in the Mysore State or to be of doubtful solvency, he may be required to deposit twice the prescribed sum, or to get a surety or sureties to execute a security bond for the due payment of all moneys that may becom due by him under the terms of the contract.

(f) If he fail to make any of the deposits aforesaid, or to get the requisite surety or sureties, the deposits already made shall be forfeited, the farm shall be immediately re-sold or otherwise disposed of under orders of the Deputy Commissioner, and he shall be debarred from bidding again for the same or for any other farm.

4. Re-sales effected under para 3 shall be at the risk of the defaulting bidder, who shall forfeit all gain, and in the event of a loss by the re-sale, shall make good the deficiency between the total amount payable by him for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the re-sale. In the latter case, the forfeited deposit shall be deducted from the loss arising from the re-sale; and the remainder, if any, shall be recovered from the bidder in the same manner as if it were an arrear of land revenue. Should, however, the forfeited deposit be greater than the loss by re-sale, the whole of such deposit shall be credited to Government.

5. The purchaser of the exclusive privilege of vend in each defined tract shall sign an agreement binding himself and so much of his movable and immovable property as may be deemed sufficient by the Deputy Commissioner for the due fulfilment by the purchaser of the terms of his agreement; and the agreement shall be executed within ten days of the expiry of the period of fifteen days above mentioned. If the purchaser fails or refuses to sign the agreement, all deposits already made shall be forfeited; and the exclusive privilege shall be re-sold at the risk and loss of the first purchaser as set forth in paras 3 and 4, or be otherwise disposed of. In the case of the purchaser's death after confirmation of the sale, it shall be binding on his heirs or assigns.

6. The details of consumption of arrack in the shops of the existing farms and at depots, the amount of rental of each farm etc., for several years past are specified in the appended schedule.

(1) The exclusive privilege shall extend only to the sale of arrack ordinarily of 20° under-proof, and with the special permission of the Deputy Commissioner or other officer authorized by him, to the sale of arrack of 30° under-proof. But it shall not extend to the sale of double-distilled or rectified country spirits and other special liquors, such as brandy, whisky, gin etc, manufactured at the Government Central Distillery, Bangalore, and which the foreign-liquor shop-keepers alone are permitted to sell at the prices fixed by themselves.

(2) The amount for which the privilege has been purchased shall be payable into the local Taluk Treasuries on printed chellans in equal monthly instalments commencing from July 1902. Each instalment shall be regarded as the rent for the month in respect of which it is payable. Each month's rent shall be payable on or before the 20th of the same month. If default is made, the Amildar may, with the sanction of the Deputy Commissioner, declare, by record in writing, that the license is forfeited, and proceed to re-sell the farm as soon after the last day of the month as may be possible. Provided, however, that instead of re-selling the farm as above, the Deputy Commissioner may, in his discretion, direct the Amildar to break up the defaulting farm into the existing number of shops within it and to give each separate shop-keeper a license for the rent he agrees to pay, provided the total of such rents is not less than what the defaulting farmer had agreed to pay.

Parties intending to bid must attend either in person or by duly accredited agents. Should there be no bid above the upset price, the officer conducting the sale may lower the upset price at discretion. The condition and character of intending bidders may be enquired into; and the officer conducting the sale may, at the time of sale, refuse to receive the necessary deposit which gives the right to bid from persons regarding whom the result of such enquiries is not satisfactory. No former licensee who has been guilty of an infringement of the terms of his lease or of the Excise Laws or Rules, shall be entitled to bid. The officer conducting the sale, shall not be bound to accept the highest bid, should he consider it to be so extravagantly high as to afford apprehension of the lease breaking down.

As the auction proceeds, the person whose bid is accepted for each shop shall at once deposit a sum equal to $\frac{5}{8}$ths of a month's rent for that shop; and within seven days from the date of confirmation of sale by the Deputy Commissioner, he must deposit such further sum as, with the former deposits, will make up an aggregate sum equal to two months' rent. In the latter case, the forfeited deposit shall be deducted from the loss arising from the re-sale, and the remainder, if any, shall be recovered from the bidder in the same manner as if it were an arrear of land revenue. Should, however, the forfeited deposit be greater than the loss by re-sale, the whole of such deposit shall be credited to Government.

5. Persons to whom shops have been knocked down shall, within ten days of the expiry of the period of seven days abovementioned, take out licenses and execute agreements in the prescribed form, binding themselves and so much of their movable and immovable property as may be deemed sufficient by the Deputy Commissioner for the due fulfilment by them of the terms of their agreement. On the failure of any person to take out licenses or to execute agreements as aforesaid, all deposits already made shall be forfeited, the shop or shops shall be re-sold at the risk and loss of such person, or be otherwise disposed of. In the case of the purchaser's death after confirmation of the sale, it will be binding on his heirs or assigns.
